

**LET'S DISCOVER
NOUMEA**

Let's go and discover
the city of Noumea

AQUARIUM

**The Aquarium is at the Anse Vata.
There are all sorts of fish and sharks.
There are beautiful turtles. There are
visitors com from Noumea, Australia,
France .**

**We can take pictures and video .You
mustn't give food and touch and
animals.**

ANSE VATA

There are work outs people can exercise, there are long beaches with coconuts trees, there are restaurants, hotels and there are islands .

You can do kite-surfing, can swim, play in the sand, watch fish and run. There is the fast food Quick restaurant next to aquarium, and there is also the casino.

COCONUT SQUARE

Coconuts Square is in the city center of Noumea . It's a big square with trees, a kiosk and cafés. You can eat , go to the restaurants or wait for the bus and the taxi . There are concerts, shows like The Festival Of Lights at Christmas.

**Around the square you can see disc shops, bookshops, clothes shops . The Fountain is in the center.
Children like playing and riding bikes.**

MUSEUM OF WORLD WAR II

It is located in the city center, in a half moon made by the US army dating from 1943. There are different rooms with guns, a jeep, different small rooms representing an infirmary, a camp, a desk ...

There are veterans' medals and many objects dating from the war. You can watch documentaries about the history of the war , watch the temporary exhibitions and use the software made available.

FOREST PARK

There are many animals : Notou and cagou, there are Caledonian birds ?

There are playgrounds for children , there are pick-nik areas and there is a dry forest.

THE PIERRE VERNIER PATH

At the Pierre Vernier promenade , there are two roads , one for pedestrians. There are also many mini parks to exercise with some really beautiful trees. There is the sea with a very big island in center .

ACTIVITIES

You can run, work, ride a bike, exercise on tracks, rollerblading, playing with the scooter, enjoy, laugh, practice, or just watch the fabulous scenery of the Sea.
